On Saturday morning we have arranged a very special private tour of the **Milhous Collection** in Boca Raton, just 40 minutes from your hotel. The Milhous Collection is one of the country's finest private collections of organs, vintage musical instruments, carousels, automobiles, airplanes and American memorabilia. Museum curator and master theatre organist, **Dave Wickerharm**, will not only show us the museum, but will play the various instruments and organs for us. Upon completion of our tour, our waiting motorcoach will transfer us to the Star Princess for a week of fun with your organ friends.*
